.08.2019. Nefrologia de reumatologia de diabeto e nefrologia de reumatologia de manoterapia .Breaking News Why you should care about what's happening in Baghsar, Uttar Pradesh Baghsar, Uttar Pradesh, is a tiny village, but it's known for a lot of things. It's home to Baghsar Ji, a temple dedicated to the Hindu goddess Durga, and Baghsar's Baatpuri, a sweetmeat shop said to be the world's oldest. It's also the birthplace of legendary wrestler Veer Bala Singh, who won the 1956 and 1960 Olympic gold medals.

But Baghsar also became the new site of India's most recent war, when tens of thousands of soldiers from India and Pakistan clashed in October 2016. While the dispute has since been resolved, the aftermath has had a huge impact on the country's new Prime Minister Narendra Modi's goal of integrating Kashmir with India. This is a story of tiny town, forgotten by many, which is now changing the world.. As for humans, vivax malaria affects mainly the forested areas of Southeast Asia. Although it is much more deadly and serious than the other types of malaria, the number of people that die from vivax malaria is greatly overshadowed by that of falciparum malaria. The main symptom of vivax malaria is flu-like with symptoms like fatigue, chills, fever, sweating, headache, vomiting and abdominal pain. Vivax malaria is treated with the antimalarial drug chloroquine, because it is much less dangerous to the patient than other malarial species. Malaria in humans At least 450,000 people die from malaria every year. Malaria is a killer disease and more than half of the world's population live in areas where it is endemic. In 2006, half a million people died from malaria, and for the first time in history, the majority of the deaths were due to malaria in children under the age of five. In recent years, the incidence of malaria has dropped by 50 percent in the United States, but deaths from malaria remain the same 82157476af
